Note to Students: We expect your best behavior at camp. If the rules of camp are not followed we reserve the right to send you home at your parents' expense.

Note to Parents:

We will be staying at Moran State Park.

There are public camping and hotel facilities nearby, but we are requesting that you ensure your child is able to have the full camp experience by not calling them or visiting during the camp week. This will help your child to grow in many different ways.

Thank you in advance for respecting our request.
